Course Requirements (30 units):

| Required Courses (18 units): | Quarter of Expected Completion | Quarter Completed | Grade | Unit Calculator |
|---|--------------------------------|-------------------|-------|-----------------|
| GGG 201A (Fall 1 st year), 5 units Advanced Genetic Analysis | | | | |
| GGG 296 (Fall 1 st year), 2 units Sci Professionalism & Integrity | | | | |
| GGG 29__, 1 unit GGG seminar | | | | |
| GGG 290A (F/W/S), 1 unit Graduate Student Conference in Genetics | | | | |
| At Least 2 of: | | | | |
| GGG 201B (Fall), 5 units Genomics | | | | |
| GGG 201C (Spring), 4 units Molecular Biology | | | | |
| GGG 201D (Winter), 5 units Transmission. Pop., and Quant. | | | | |
| Electives and Research (12 units): | | | | |
| Elective/Research/Rotation: | | | | |
| Elective/Research/Rotation: | | | | |
| Elective/Research: | | | | |
| Elective/Research: | | | | |
| Total Units: | | | | |

1. Who are you rotating with this Fall (choose 2 labs/professors)? Or, have you chosen a Faculty Mentor/Research Advisor?

2. At this stage, are you considering Plan I (thesis) or Plan II (coursework) M.S. option?

3. Any other comments/concerns discussed with student (attach sheet or write on back as necessary):
